Our students tell us that one of the greatest advantages of attending Point Park is having the city as our campus. As with any city, parking can be a challenge if you are new to the area. We want to make it as easy as possible for you to visit us, so we have an area especially for prospective students and families to park at no charge, located behind our West Penn Hall on Wood Street and Fort Pitt Boulevard.

If you have questions about the directions, contact our office so we may assist you. Please note: The directions on this flier may be different from those on a GPS or other electronic device as these directions are directly to the parking area. GPS coordinates for parking are 40°26′14.5″N 80°00′07.9″W.
