How are great TV and film stories created like STRANGER THINGS, THE WALKING DEAD, THE GAME OF THRONES, ORANGE IS THE NEW BLACK, THIS IS US, THE AVENGERS or DEADPOOL? Here is your chance to learn the craft of screenwriting to become the next JJ Abrams, David Chase, Diablo Cody or Wes Anderson.

At this one-week intensive scriptwriting workshop, you will learn the tools that uncover the mysteries of storytelling for television and film. All students, who bring a laptop, will receive a copy of Final Draft 9. By the end of the week, you’ll have written your very own short original screenplay.
