STUDENT ACCOUNTS CLEARANCE PROCEDURES

The Office of Student Accounts is responsible for granting a student account clearance. This clearance is needed each semester. You cannot receive your Student ID card or a replacement Student ID card without a student account clearance.

Students are responsible for all financial obligations with the University.

Students are responsible to apply for financial aid and respond to all requests for information to support the request for financial aid.

The final step in the registration process is securing clearance from the Office of Student Accounts. Options available to clear your student account include the following:

• Make full payment of all charges for each semester by the due dates established
• Enroll in one of the University’s payment plans
• Utilize funds through financial aid sources

If you wish to use federal, state or University grants and loans, all completed documentation must be received and reviewed by the Office of Financial Aid prior to the Office of Student Accounts providing account clearance.

In order to use outside scholarships toward payment, the Office of Financial Aid must receive an official letter from the outside scholarship donor.

Student Loan Recipients:
Master Promissory Note (MPN) – Federal Direct Student Loans

• Students can electronically sign their MPN online at www.studentloans.gov.
• New borrowers must also complete a Direct Loan Entrance Counseling online at www.studentloans.gov.

Work-study and Student Apprenticeships:
Funds earned from either program cannot be applied towards a student account clearance. Students earn funds from these programs – much like earnings from an off-campus job.

PAYMENT DEADLINES:
Tuition charges are due for Fall 2016 on or before August 15, 2016. If registration occurs after the tuition due date, payment is due immediately.

To avoid waiting in line at the Office of Student Accounts, located in the Student Financial Services Center, payment can be made by mail or online – Master Card and Discover Cards only – and e-check payments. Credit card payments will be processed through our online provider, which charges a 2.55% processing fee. There is no charge for e-checks.

Checks should be made payable to Point Park University and sent to the Office of Student Accounts, Point Park University, 201 Wood Street, Pittsburgh, PA 15222-1984. All checks returned from the bank for any reason will be assessed an additional service charge of $25.

Students who are enrolled for the Fall 2016 semester and do not have an official Student Accounts Clearance by the published tuition due date (August 15, 2016) will be assessed a late fee each month.

Students participating in the Employer Reimbursement Program who do not pay their outstanding balance contract by the designated payment date will be assessed a late fee each month.

PAYMENT PLAN OPTIONS:
Point Park University offers several payment plan options for students. Students who do not have sufficient financial aid or who are not eligible for financial aid can select to participate in a payment plan with the University. Students must sign up for a payment plan on or before the tuition due date. For more detailed information on the payment plans available students are encouraged to contact the Office of Student Accounts at 412.392.3410.

GENERAL POLICIES AND PROCEDURES (cont.)

REVISION OF INSTRUCTOR
The University reserves the right to revise instructor assignments due to the fact that schedules must be prepared up to six months in advance.

SPECIAL DELIVERY COURSES
A minimum of seven (7) sessions are held throughout the term (see SPECIAL DELIVERY TRACK DATES on page 10). You MUST check with the instructor regarding the attendance policy for the course. Failure to attend the first class could result in a forced withdrawal from the class. Due to the reduced number of contact hours, additional hours of equivalent instruction outside the classroom are required, as directed by the instructor’s syllabus.

SPECIALIZED INSTRUCTIONAL FEES
Fees are applicable to specified courses, since a number of degree programs at the University require specialized instruction over and above the usual classroom presentations. Individual courses in the programs may require laboratory equipment and supplies; additional space such as laboratories, studios and/or the Pittsburgh Playhouse; additional personnel for extended time periods; field trips; and/or other activities which create ongoing costs for the University.
SPECIAL FEATURES

SPECIAL DELIVERY
Some courses are offered on a time schedule which allows students to take two courses in one time slot, by selecting one course from Track A and one course from Track B, which meet on alternate weeks. Due to the reduced number of contact hours in the Special Delivery format, additional hours of equivalent instruction outside the classroom are required, as directed by the instructor’s syllabus.
