1. Do you want Part I and Part II of the SF 330 or just Part II?

Both parts

2. Do you want PennDOT ECMS resumes, SF 330 resumes, or both?

PennDOT format is fine

3. Since the project will only include two people, do you still want an organization chart, and if so, should it be included with the SF 330 Part I or with the three page letter of interest?

Yes, Org Chart is required and can be included with three page LOI (does not count as one of three pages)

4. I need some clarification on NECEPT Field Technician Certification. Is it still needed if the person has a PE in Civil Engineering?

The answer is that Yes, they do need certification.
