Program Objectives

ESL Program Specialist Certificate - Curriculum and Instruction

Upon successful completion of this program, a student will be able to:

1. Develop instructional plans and set goals based on the content to be taught/learned, knowledge of assigned students, and the instructional context.
2. Establish and maintain purposeful and equitable classroom environments.
3. Utilize a variety of instructional strategies.
4. Demonstrate integrity, ethical behavior and professional conduct as stated in the Pennsylvania Code of Professional Practice and Conduct for Educators.
