Point Park University’s

Confluence Humanistic Psychology Alliance

presents

Fall 2011

Community Awareness and Service Lecture Series

with

Pittsburgh Action Against Rape (PAAR)
Featuring speakers:
Jessica Burtt, Crisis Intervention Counselor
Leah Vallone, Crisis Intervention Counselor

and

Autism, Asperger’s & ADHD Support for College Students (AHEADD)
Featuring speaker:
Heather Conroy, LSW– Operations Manager

Friday, October 14, LH 409, 6-9pm

Service to the community is a socio-cultural therapeutic as it provides possibilities for empowerment and freedom. PAAR and AHEADD are excellent examples of organizations that provide support, empathy, and practical resources that help people and communities. Please come for some consciousness raising as well as internships possibilities!

If you would like more information about our lecture series or about the Confluence Undergraduate Alliance, please contact Dr. Robert McInerney at rmcinerney@pointpark.edu
