(See back for sponsorship details.)

Point Park University Department of Athletics invites you to sponsor our third annual golf outing on Friday, Sept. 25, 2015, at Hickory Heights Golf Club, Bridgeville, Pa. The outing is in conjunction with the Athletics Alumni Weekend and benefits a variety of athletic programs.

The format is a four-person scramble and features skill contests throughout the course for golfers. There are prizes for the winning team, as well as "beat the pro" and "bet the green" contests. The cost to play is \$125 per individual or \$500 per foursome. Reservations are limited.

Point Park Athletics is a member of the NAIA and Kentucky Intercollegiate Athletic Conference. The University sponsors 13 varsity sports and has a long tradition of success in baseball and men's basketball. Recently, our women's volleyball, women's basketball, men's soccer, men's golf and baseball teams made appearances in the NAIA national tournament. With your help, we can keep the tradition alive and continue the positive impact on our student-athletes.
