MINIMUM CREDITS FOR M.A. DEGREE 36

Program Objectives

M.A. Clinical-Community Psychology

Upon successful completion of the program, students will be able to:

1. Describe the psychological foundations of clinical-community psychology.

2. Apply community psychology for the prevention and amelioration of mental illness and the improvement of mental well-being.

3. Employ research skills to explore questions and help solve problems in clinical-community psychology.

4. Demonstrate understanding of ethics and values of the field of psychology.

5. Demonstrate sensitivity to and respect for individual and cultural diversity.
