

Performing Arts Community Classes

Two Animation Workshops

1. **2D Animation Workshop:** July 17 to July 21
2. **3D Animation & Visual Effects:** July 24 to July 28

2D ANIMATION

July 17 to July 21, 2017

Learn the skills required to breathe life into the characters and stories that exist in your imagination. This workshop explores the art of illustration, animation and the creation of worlds for the characters you imagine. Using Adobe Creative Suite, students will develop characters, learn the concepts and techniques of animation, and watch the world of their imaginations come to life.

3D ANIMATION AND VISUAL EFFECTS

July 24 to July 28, 2017

Students learn the fundamentals of 3d computer animation and modern visual effects. They will learn basic modeling skills so they can design virtual props, sets and characters. They will also learn the fundamentals of compositing and motion tracking and to create effects such as light sabers and laser beams. They will shoot on a green screen and combine live action and computer animation.

Programs are limited to the first 12 registrations for each program.
