

Danielle Berkebile & Alison Zawinski

Introduction

- Mission Statement: YUMMY!cards seeks to provide a fun alternative to traditional, boring paper greeting cards by creating delicious, customizable cookie cards.
- Our company goal is to build a successful, nationally known company and to be the customers' first choice when selecting greeting cards for any occasion.
- YUMMY!cards' priority is ensuring that each customer receives a beautiful, high quality greeting
- The current objective is to be a completely selfsustaining company within 6 months from the opening of the first location.

Products and Services

- YUMMY!cards' product
 - an edible greeting card
 - A greeting card and a gift
- We will use a No break, Fail-safe, and Foolproof cookie recipe
- The product will hold up well during shipping and transporting
- They cookie is designed to fit inside a USPS Priority Mail Flat Rate box, size small with the dimensions 8 5/8" x 5 3/8" x 1 5/8".
- The price of shipping:
 - \$5.00 if paid online and \$5.20 if paid at the post office and these prices include free Package Pickup.

S.W.O.T.

- Strengths
 - Unique concept
 - Large consumer market
 - Popular on holidays
 - Cards for every occasion
 - Inexpensive alternative to other delivered gifts
 - Inexpensive ingredients
 - Easy to make
 - Does not require extensive staffing
 - Can operate from a kiosk and baked at an alternative location
 - Online ordering available
- Weaknesses
 - Breakability of product while being shipped
 - Lack of patent
 - Brand unknown
 - · Lack of funds for advertising
 - Currently only one product available
 - Lack of delivery system

- Opportunities
 - Heightened business during holidays
 - Huge trend towards boutique baked goods
 - Can expand
 - Will benefit from foot traffic at malls
 - Ability to create
 - Trend towards environmentalism- can market as a green alternative to paper cards
- Threats
 - Subject to FDA regulations
 - Competitor American Greetings has cards with flavor strips
 - Competing with ProFlowers, Edible Arrangements, and CookiesByDesign.com's cookie bouquets for delivered gifts
 - · Customers with dietary concerns
 - Consumers are more concerned with diet because of obesity
 - Environmentalists may be concerned created by the packaging
 - Economy: Rising costs
 - Consumers experiencing financial hardship
 - Lack of financial resources

Business Environment

- YUMMY!cards will be sold in a medium to large sized mall kiosk.
- Foot traffic will be most of our customers when the business first starts out
- YUMMY!cards will have a minimum of 4 employees.
 - We will consider hiring additional staff to suit demand.
- The product will be baked at an offsite location
- Delivered every morning to the mall kiosk to be decorated
- Business hours
 - Monday- Thursday: 10am-9pm
 - Saturday 10am-9:30pm
 - Sunday 11am-6pm

Competitive Environment

Major competitors

- Hallmark
- American Greetings

 Products that will compete with YUMMY!cards are greeting cards that offer a unique aspect like being able to record your own message

•YUMMY!cards has an advantage over other greeting card companies because there is a trend towards artful, handcrafted cards.

•Our indirect competitors include other deliverable gifts

- ProFlowers
- Teleflora
- Edible Arrangements
- CookiesByDesign.

Market Research

- Americans purchase 7 billion greeting cards every year; the average household purchases 30 cards a year
- Annual sales of greeting cards are estimated to be over \$7.5 billion
- Women purchase 80% of all greeting cards
- Prices range from 50 cents to \$10; typical counter card costs \$2-\$4

Operations

- YUMMY!cards will be produced in the home of the owner during the day while the kiosk is running.
- Cards will be delivered to the mall kiosk every morning to be decorated and displayed.
- Alison- general operations, baking, some evening shifts at the kiosk, marketing and advertising
- Danielle- accounting, main kiosk worker, website
