Point Park University welcomes alum to Board of Trustees

PITTSBURGH, PA – Point Park University has welcomed a new member to the University’s Board of Trustees. She is serving a three-year term.

Jamie Inferrera graduated from Point Park in 2010 with a bachelor’s degree in Journalism and Mass Communication with a minor in Dance. After graduation, she worked for the Pennsylvania House of Representatives as director of communications and district office manager for a Western Pennsylvania state representative.

Inferrera later graduated from the Duquesne School of Law, taking evening classes while she worked as a court clerk for the Honorable Donna Jo McDaniel in the Allegheny County Court of Common Pleas Criminal Division.

She was a member of the Point Park Alumni Association Board of Directors from 2013 to 2020, serving as president the last three years.

“As an alumna, I am honored to join the Board of Trustees,” Inferrera said. “Point Park is a vibrant and innovative institution and I am excited to continue to be a part of the University’s dynamic culture.”

Inferrera is now an attorney with Eckert Seamans, with a diverse practice that is an interplay among the law, business and government. She frequently represents municipal authorities and nonprofit organizations in issuing bonds to finance new projects and to refinance outstanding debt. She also represents business owners in transactional and administrative matters involving governmental entities and agencies.

“Jamie is a longtime member of the Point Park University community, and we are immensely proud of her contributions as part of our Alumni Board,” said Paul Hennigan, president of Point Park University. “As an attorney, she is embedded in the local business and nonprofit communities, and she will be a valuable asset to our Board of Trustees.”
