Commencement ideas

Due: Monday, April 6, 2020 at 11:59 pm

This awful COVID-19 virus has forced the cancellation of our commencement. Administrators have still been meeting and are considering options how to handle this and recognize graduates. Please add in what you think Point Park should do and when. We will leave this open until Monday evening. Then I will forward your responses on to administrators and the committee. Thanks, Helen

HONORS CONTRACT COURSES

Dr. Mullan

Students,

It's almost the end of the semester! This is a reminder for all **honors contract courses**:

At the conclusion of an honored course, the student must complete a summary of the experience:

- a summary of the work completed to honorize the course
- a written reflection of the Honors Contract Course
- a summary of the five (or more) meetings with the instructor.

You must submit these materials on

Schoology [here](https://pointpark.schoology.com/page/1590651037) (also: <https://pointpark.schoology.com/page/1590651037>)
