Program Objectives

Ph.D. in Community Engagement

Upon successful completion of this program, a student will be able to:

- 1 Analyze the connections among the sectors of society from both a theoretical and practical perspective
- 2 Explore sociological, business, communication and environmental factors that contribute to a community's success
- 3 Understand the differences between public, private and nonprofit organizational systems and the way they relate to one another
- 4 Apply ethical leadership principles to community-based issues
- 5 Develop and evaluate programs for use in business, government or nonprofit sectors
- 6 Demonstrate the ability to utilize advocacy and public policy to bring about social change
- 7 Demonstrate the ability to form innovative solutions to social problems
- 8 Illustrate the role of research in guiding change and progress, and utilize theory and research
- 9 Lead the development of collaborative relationships between civic, business, and nonprofits entities in order to create a more socially just, equitable and dynamic world
