# Program Objectives

## Master of Arts in Professional Studies

**Upon successful completion of this program, a student will be able to:**

1. Demonstrate understanding of the major arguments, ideas, and literacy tools of two distinct academic disciplines ( as outlines in your individual plan of study)
2. Synthesize the perspective and practice of two distinct diciplines into a perspective/practice that addresses both traditional academic study and the acquisition of practical professional skills.
3. Collaborate with individuals from varied academic disipliens and create research or professional projects that are applicable to both areas outlines in your individual plan of study
4. Critique academic and/or professional works in their chosen disciplines.
