BACHELOR OF ARTS IN PSYCHOLOGY

2018-2019 Degree Requirements

GENERAL ELECTIVES

18-21 credits

PROGRAM OBJECTIVES

Upon successful completion of this program, a student will be able to:

1. Describe major theoretical perspectives in psychology and apply them to the analysis of human behavior.
2. Critically evaluate the validity of competing theories and models of human behavior.
3. Gather data from interviewing and observing human subjects, analyze and interpret the data, and generate theories that provide valid insight into and understanding of the human condition.
4. Communicate effectively in a professional setting in both written and oral forms following standards and guidelines of the American Psychological Association.
