PROGRAM OBJECTIVES

Upon successful completion of this program, a student will be able to:

1. Demonstrate professional-level journalism reporting, writing, and editing skills, and news judgment.
2. Demonstrate an understanding of principles of aesthetics and composition.
3. Apply ethical and legal principles to media production and distribution.
4. Apply basic and advanced interview techniques, appropriate for professional journalistic work.
5. Demonstrate an ability to research and develop sources for reporting.
6. Produce professional-level short and/or long-form reporting packages for multiple media platforms.
7. Demonstrate knowledge of environmental science, research, management and policy.
8. Demonstrate an understanding of environmental business, stakeholders, and communication.
