BACHELOR OF ARTS IN DANCE

2019-2020 Degree Requirements

PROGRAM OBJECTIVES

Upon successful completion of this program, a student will be able to:

1. Demonstrate competence in ballet, jazz and modern dance and an advanced competence in one of these areas of concentration.
2. Defend analyses and critiques of dance and effectively communicate complex dance ideas, concepts, and requirements to professionals and laypersons.
3. Place dance in historical, cultural, and stylistic contexts; analyze and critically evaluate dance works; and apply knowledge of the body and kinesiology in theory and practice.
4. Demonstrate competence in an area other than performance, including major related fields like choreography, pedagogy, dance studies, or media and technology for the performing arts (through a progressive sequence of related courses); or in another discipline (through a minor or double major).
5. Recognize the range of opportunities for careers in dance and related areas, develop a personal career plan, and continue artistic and intellectual development independently.
