As per International Accreditation Council for Business Education (IACBE) requirements, it was determined a student portfolio will be used as proof of meeting criteria of MBA program objectives. Student portfolios must contain at least one artifact per course. The following is an array of artifacts that a student may consider using for courses: research papers, presentations, assignments, case studies and other pertinent materials related to the course. Only one artifact is required to meet the criterion pertaining to a program objective. If applicable, one artifact may be used to meet the criteria of one or two program objectives.
