# Program Objectives

## Graduate Certificate in Screenwriting Fundamentals

**Upon successful completion of this program, a student will be able to:**

1. Exhibit the discipline and skills of a dramatic writer for the screen and stage, including by not limited to feature films, plays, television, mobile media, gaming, etc.
2. Develop and articulate in depth understanding of the professional landscape for dramatic writers and devise and present a plan to build a satisfying professional career.
3. Demonstrate a specialized skill and craft in one of the disciplines of writing for the stage or screen.
4. Recognize, analyze and articulate dramatic works from a structural, aesthetic, and application perspective.
5. Productively and diplomatically contribute in a collaborative, production-focused, artistic environment.
