GRADUATION APPLICATION

Graduation is not an automatic process. After meeting with your academic advisor and it is determined you are nearing the completion of your degree requirements a graduation application must be submitted before the deadline of your intended term of graduation (see deadlines below). Failure to apply for graduation will delay the conferral of your degree and receipt of your diploma. Students may complete their degree requirements at the end of the Fall, Spring or Summer (August) terms.

Undergraduate Students (Associate and Baccalaureate degrees): only applicants with a cumulative QPA of 2.00 or above will be considered.

Graduate Students: only applicants with a cumulative QPA of 3.00 or above will be considered.

Deadlines for application:

Fall - July 31

Spring - September 30

Summer - January 30
