Program Objectives

Certificate in Superintendent's Letter of Eligibility

Upon successful completion of the program, students will be able to:

1. Apply and implement the six performance domains of leadership in order to lead and to effect positive change in the schools.
2. Provide professional educators with a thorough understanding of leadership theories, while emphasizing collaborative hands-on learning which utilizes appropriate technologies.
3. Demonstrate the knowledge and skills to think and plan strategically to create an organizational vision around personalized student success.
4. Apply leadership theories to enable the educator to transfer that knowledge to the leader's job as an architect of standards-based reform.
5. Access and to use appropriate data to inform decision making at all levels of the school system.
