**NOTE TO STUDENTS**

The Pennsylvania Department of Education requires candidates to apply for certification on the Teacher Information Management System (TIMS) to:

- Provide a chief school administrator's verification of the completion of a minimum of three years of public school professional experience in an instructional area.
- Successfully complete the School Leaders Licensure Exam #6990.
- Be recommended for certification by the authorized certification officer or person who holds a comparable certificate from another state.

# Program Objectives

## M.A. In Educational Administration

### **Upon successful completion of this program, a student will:**

1. Provide professional educators with a thorough understanding of educational theories while emphasizing collaborative, hands-on learning which utilizes appropriate technologies.
2. Prepare professional educators to develop curricula for content areas that incorporate diverse learner populations and settings across the lifespan.
3. Prepare educational leaders who can function effectively with diverse teacher and student populations in a variety of educational settings.
4. Develop effective supervisory and educational leadership skills for organizational management, school administration, and community interaction.
5. Prepare school administrators for the effective management of institutional resources in educational settings for day-to-day administration in K-12 schools.
