PROGRAM OBJECTIVES

Upon successful completion of this program, a student will be able to:

1. Demonstrate a grounding in the Liberal Arts as the foundation for a unique course of studies based on empowering academic and professional fields in a holistic fashion that adds to the application and understanding of their studies.
2. Be competent in literacy skills and modes of expression used across the board in the Liberal Arts.
3. Demonstrate fluency in the Liberal Arts traditional curriculum as the integrated foundation that edifies areas of curricular concentration.
4. Demonstrate both proficiency and competence in their chosen areas of concentration, utilizing the skills demanded of the elected area of concentration in a fashion consistent with the program objectives of the area of concentration chosen.
5. Identify, articulate and express literacy in the Liberal Arts at large, and fluency in their concentration, in a fashion that focuses their intellect and critical skills toward a discipline. Graduates will be competent in Liberal Arts perspectives in general, and in their concentration in particular, and be able to identify and demonstrate the intersection and integration of the two.
