BACHELOR OF ARTS IN BEHAVIORAL SCIENCES

2025-2026 Degree Requirements

PROGRAM OBJECTIVES

Upon successful completion of this program, a student will be able to:

1. Describe major theoretical perspectives in the behavioral sciences and apply them to the analysis of human behavior and social structures.
2. Critically evaluate the validity of competing theories and models of human behavior and social structures.
3. Gather data from interviewing and observing human subjects, analyze and interpret the data, and critically evaluate theories that provide valid insight into and understanding of the human condition.
4. Communicate effectively in a professional setting in both written and oral forms following standards and guidelines of the American Psychological Association.
5. Describe the role of society and culture in human behavior and social structures.
