BACHELOR OF SCIENCE IN ENTREPRENEURSHIP AND INNOVATION

2025-2026 Degree Requirements

PROGRAM OBJECTIVES

Upon successful completion of this program, a student will be able to:

1. Apply a design and innovation toolset to analyze and create new products and services.
2. Develop essential technology competencies that can be effectively employed in startups, social ventures, family businesses, and corporate enterprises.
3. Demonstrate strategic and financial planning capabilities through the development of a business plan and supporting financial documents.
4. Develop ability to communicate analysis of data derived from sales and marketing analytics to appropriate audiences.
5. Analyze and apply concepts and issues of entrepreneurial leadership, law, and ethics.
6. Enhance professional acumen through mentoring, structured internships, new venture launch, and related co-curricular activities.
