BACHELOR OF SCIENCE IN ECONOMICS AND FINANCE

2025-2026 Degree Requirements

PROGRAM OBJECTIVES

Upon successful completion of this program, a student will be able to:

1. Clearly communicate thoughts and ideas both verbally and in writing using economic and financial terminology.
2. Apply information technology tools, and economic and financial analytical tools and techniques to meet the needs and expectations of the workplace.
3. Apply major economic and financial theories and concepts in traditional business areas in order to improve the performance of the organization.
4. Apply professional, ethical, legal, and economic and financial standards within a diverse global environment.
5. Analyze complex information to produce findings that facilitate management decision-making.
6. Analyze problems of organizational leadership by using economic and financial knowledge in order to improve the use of motivation and influence in achieving a coordinated goal.
