BACHELOR OF FINE ARTS IN THEATRE PRODUCTION

2022-2023 Degree Requirements

PROGRAM OBJECTIVES

Upon successful completion of this program, a student will be able to:

1. Demonstrate the foundational skills of a well-rounded working professional in Theatre Production, with specific and advanced skill and craft in one discipline of Theatre Production.
2. Comprehend business aspects of Theatre; develop a personal career plan and the tools to showcase skills and competencies.
3. Competently discuss world theatre history, styles, and significant theatrical works and artists as a whole, evaluating the role of Theatre Production therein.
4. Contribute to a collaborative artistic environment through articulate and clear oral and written communication skills.
5. Enlist and create innovative systems to support and promote artistic vision of Theatre, and as a means to complement Theatre traditions and practices.
