The mission of Dance at Illinois is to promote and expand the role of dance in contemporary culture. Utilizing a range of experimental and canonic approaches, we generate choreographic, pedagogical, performative, and scholarly research that shapes educational and public programming. We explore the dynamic intersections between research and teaching in academic, professional, and community settings. We forge imaginative, innovative, and sustainable lives as artists and educators through dance.

UArts School of Dance

8/24/2020 - 5/3/2021

Type: College/University

Curriculum: CurriculumThe faculty of the School of Dance have developed five essential learning goals that help to shape the school's curriculum and the young dance artist and professional.

Mutuality: Students will activate relationships in dance on personal, collective, regional and global levels.

Relationality: Students will engage with the world through multiple lenses of collaboration, exchange and difference.

Expressivity: Students will develop tools and ideas of expression to speak, write, and dance about/with/of/alongside.

Sustainability: Students will be immersed in anatomically sound technical training that consistently weaves and references both historical and emerging techniques, forms and styles through informed somatic practices.

Resourcefulness: Students will develop and sharpen skills of reciprocity, relationship and network building through consistent contact with professional artists in the expanded field both within their communities and in the world.

These learning goals are mapped across courses in six different categories:

- 1) Studio Practice
- 2) Body Pathways
- 3) Thinking, Making, Doing
- 4) History, Theory and Criticism
- 5) Capstone Experiences
- 6) PODS (Performance Pedagogies of Dance)

Compared to a traditional ballet school, the Peridance Certificate Program is designed for dancers ages 17+ who wish to strengthen their training in contemporary dance while enjoying the cultural landscape of New York. Many dancers choose this program as a stepping stone between their formal dance education and joining professional dance companies. The Certificate Program's renowned faculty and comprehensive curriculum prepares students to be technically accomplished, versatile, fully equipped.

Summer Intensive Tuition Scholarship, The Certificate Program Tuition Scholarship

9/1/2020 - 6/18/2022

Type: Summer, Certificate Program (2-year training program)

Curriculum: Summer Intensive (BLUEPRINT): BLUEPRINT Summer Intensive (August 3rd - 15th, 2020) 2-WEEK Intensive; ages 17-25

BLUEPRINT bridges the gap between conservatory ballet technique and the innovative contemporary dance scene. BLUEPRINT brings students face to face with influential, current dance educators and performing artists and exposes you to the best in the business, helping you to achieve your dance goals, whatever they might be. Six days a week you'll take ballet and contemporary technique classes followed by repertory rehearsals. Your experiences will culminate at the BLUEPRINT Showcase, which takes place on the last day of the intensive at Peridance Capezio Center's state-of-the-art Salvatore Capezio Theater.

The Certificate Program: The Certificate Program is divided into four semesters of 18 weeks each, over two years of study. The Program employs a credit hour system. Work is calculated in semester hours. Each semester hour is equivalent to 60 minutes.

The program offers two tracks: Ballet/Contemporary and Commercial Dance. The curriculum consists of a minimum of 3 to 4 classes per day, five days a week. The program emphasizes personal attention and mentoring and nurtures each student's full potential as a performer and an individual. Students attend technique classes in varying dance styles relevant to their chosen track and non-studio classes and seminars that flesh out their education and knowledge of the field. Letter grades are awarded in all technique and non-studio classes, as well as in workshops, performance analyses, and independent study projects.
