

# Doctor of Education (Ed.D.) in Leadership and Administration

SCHOOL OF EDUCATION

*Expand your leadership skills and reach a higher-level position in your career*

**Designed for working professionals, this fully online doctoral program helps you lead with confidence in education and beyond.**

## PROGRAM OVERVIEW

- Fully online or livestream courses
- Residency met by completing three consecutive semesters with a minimum of six hours of course work each
- Complete the program in three years, including the dissertation — or in as little as two years with eligible post-master's transfer credits
- 54 total credits (or just 36 with transfer credits)
- Take one eight-week course at a time (two courses per semester)
- Cohort-style model for strong peer connections

## CHOOSE YOUR TRACK

### Professional Leadership or Superintendent Certification

Focus on visionary, relational and systems leadership.

### K–12 Administration Certification

For those pursuing principal certification and applied school leadership.

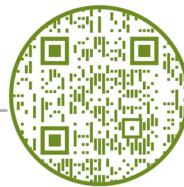

### Individualized Concentration

Designed for those transferring post-master's credits (up to 18). This option allows you to apply prior graduate coursework toward the degree, making it possible to finish in as little as two years. Includes required leadership seminars.

## APPLICATION REQUIREMENTS

- Free online application
- Official transcripts (min. 3.25 grad GPA)
- Resume detailing your educational/admin experience
- Statement of purpose
- Two letters of recommendation
- Virtual interview (by invitation)
