

Certification Exam Navigation Special Education PK-12 M.Ed. and M.A.

Important: Students are responsible for reviewing the most up-to-date testing requirements and information available on the Pennsylvania Department of Education (PDE) website. Testing requirements are subject to change, and students should regularly check the PDE website for the most current information regarding required examinations, testing policies, and certification requirements.

As of 9/29/2026, this navigation sheet reflects the most current certification examination requirements and information available from PDE.

1. Click on this link: [Certification Testing - Pennsylvania Department of Education](#)
2. Then click on “**Certification Test and Score Requirements (Excel)**” *This is a live link so always access it from the PDE website*

Clearances- Background Checks	

Pennsylvania requires assessment of candidates in General Knowledge, Professional Knowledge, and Subject Area Knowledge prior to issuance of a certificate. The information on this page provides guidance for completing these requirements. Please review this information carefully prior to completing any assessment requirement.

Test scores are submitted electronically to the Pennsylvania Department of Education (PDE) by the test administrator. Test scores are automatically submitted to PDE when tests are taken in Pennsylvania. If not, or if taken remotely, contact the test administrator to request the scores be submitted to PDE.
