## **2017-2018 Degree Requirements**

### **PROGRAM OBJECTIVES**

#### **Diversity & Social Responsibility:**

Demonstrate the ability to value all backgrounds and perspectives. Maintain openness and respect in diverse contexts in regard to decisions and other's ideas.

#### **Communications:**

Employ written, verbal and electronic communication skills including Social Media in order to convey clear and organized information. Ensure effective communication with the use of constructive feedback and active listening skills.

#### **Information Literacy**

Gather, analyze and evaluate critical information from databases and sources within the industry. Interpret information to enhance decision making, communication and outcomes.

#### **Problem Solving**

Analyze problems and develop creative problem-solving solutions based on best practices and research to constructively engage in and facilitate management decision making.

#### **Ethics**

Integrate core values, integrity and accountability in decisions, actions and best practices.
